# Key benefits to the small medium business

# How Business Advantage differs to traditional ownership models

 How much money does my business have to put in?	None, no deposit, no down payment and you even keep any surplus cash from your trade in.
 How much money is tied up in this depreciating asset?	None, you put no money in but get cash for your trade-in.
 Who deals with all your vehicles expenses and invoice payments?	Business Advantage, so all operating costs for your fleet can be included on the one invoice.
 How can I simplify my cash flow?	Bundle your costs; one invoice, one monthly rate per vehicle, plus whatever you use in fuel and tolls.
 How do I keep my staff safe and my vehicle up to date?	It's similar to a mobile phone plan; at the end of the contract, swap your car over for a new and improved one. <sup>^</sup>
 How does my Business get the benefits enjoyed by the big businesses who have many many company cars?	As a Business Advantage customer you benefit, as you have 24/7 backing from the Business Advantage service network.
